

The Board of Commissioners of the Town of Pollocksville resumed its June 13, 2017 meeting on Tuesday, Jun3 27, 2017 at 7:00PM at the Town Hall/Depot. Mayor James V. Bender Jr., called the meeting to order and served as temporary clerk.

Finance Officer Staci Ventura provided a list of budget transfers that she had made administratively within separate departments. She then recommended approval of Budget Amendment #13 – which recognized additional revenue plus some expenses – for the General Fund, and Budget Amendment #14 – which dealt with transfers between the water and sewer departments. On motion made by Commissioner Banks, seconded by Commissioner Duffy, and carried unanimously, both amendments were approved.

Mayor Bender presented a draft of a Golf Cart ordinance for discussion. The draft is the same as the ones used by the Town of Trent Woods. After some discussion, the Board asked the Mayor to make some editorial changes and present the ordinance for adoption at the July meeting.

Mayor Bender presented the following informational items:

- 1- The Local Government Commission has approved the dual appointment of Staci Ventura as Finance Officer and Tax Collector.
- 2- He attended the recent meeting of the US Highway 17/64 Association and learned that the NC DOT will be hiring additional subcontractors to accelerate the completion of the Jones County bypass but perhaps as much as 9-12 months.
- 3- The new State Budget includes a one-time \$20,000 grant to the Town of Pollocksville for downtown revitalization. The Department of Commerce will provide further details.
- 4- The nuisance at 202 Trent Street (garbage) has been abated; the nuisance at 210 Trent Street (high grass and overgrowth) is being addressed; the nuisance at 233 Beaufort Road has NOT been abated.

There being no further business, and upon motion made by Commissioner Lincoln, seconded by Commissioner Henderson, and carried unanimously, the meeting was adjourned at 7:40PM.

Respectfully submitted,

James V Bender Jr., Mayor
Temporary Clerk
